DOE has a meeting that can’t be moved from 2-5 tomorrow. Are you all still available from 1-2 tomorrow? I am available at that time, and if we do a call we’ll just get who we get from the EOP.

Kevin asks if we can do 4:30-5:30 tomorrow on a call instead of 5-6?

thanx!

Hi Bob,

What time(s) on Friday works on your end? Is it still the same as it was earlier this week?

Regards,
Cortney
Kevin doesn't want to do it all tomorrow to focus on the redline that's coming back to you. I think we can get critical mass on the phone, it just likely will not include Kevin.

Thanx!

Hi Bob,

Some of the key folks from the EOP are out on Friday – so it's best to have the discussion on Wednesday. Would it be better to do it as a call?

Thanks, Cortney

Kevin would like to move the Wed meeting to Friday. Do you or DOE have any concerns with that approach? Obviously those issues will NOT be dealt with in the redline version for tmrw/Thurs. Just let me know your wishes.
thanx!
