December 9, 2014

MEMORANDUM FOR INGRID KOLB
DIRECTOR
OFFICE OF MANAGEMENT

FROM: ROBERT J. NASSIF
ACTING ASSOCIATE ADMINISTRATOR
FOR MANAGEMENT AND BUDGET

SUBJECT: Directives Certification Statement

DOE Order 452.7, Protection of Use Control Vulnerabilities and Designs, 5/4/2010, has been reviewed by my organization and deemed to be in compliance with related Departmental Directives, Secretarial Delegations, organizational structure, budget guidelines, regulations, standards, OMB guidance, relevant memoranda of understanding and public laws.

In addition, this directive is not found to cause undue burden (i.e., significant cost impacts, overly prescriptive, redundancy, or excessive reporting requirements) on Departmental elements and contractors.

The order is critical because it establishes the policy, process and procedures for control of sensitive use control information in nuclear weapons data (NWD) categories Sigma 14 and Sigma 15 to ensure that dissemination of the information must be restricted to individuals with valid need to know.

I certify that this directive is accurate and continues to be relevant and appropriate for use by the Department.

Please contact Emily Mishoe, 202-287-5641, of my staff for additional information.
