I will check with Howard to see if we've gotten enough on our own.

Hl Bob,

If you all think it's necessary, I can set it up.

Cortney,

Per our discussion yesterday, here is a shot at the RIA stuff addressing costs of EE as well as the rest of our responses. Per our discussion, we are happy to continue to work with you on the EE cost language and I think there is also a potential path on the AQ modeling that I'm happy to discuss (either Tuesday, or if you want to talk earlier, I can make time).
