Kevin or Bob,

Any ETA on when we will get the Abatement TSD Chapters 3, 6, 7? Comments were sent over on all of those.

And we should still expect Chapters 4 and 5 (RE and DSM EE) on Friday?

Regards,
Cortney

Thanks.

Note – we’ve also included a memo on efficiency improvements on oil/gas referenced in the new version of the preamble. I am still tracking down the Treasury contact.
